

General Information

Slides must be presented in English, but the official language will be Italian.

Conference Venue

Aula T, Faculty of Medicine and Surgery, Ospedali Riuniti Torrette di Ancona.

Registration

In order to attend the congress, registration is free but obligatory. To register for the congress, fill in the attached form and send it by fax to the Organizing Secretariat at 075/5730619. The form is also available online at [www.csccongressi.it /pag_congressi.html](http://www.csccongressi.it/pag_congressi.html).

Note: Congress registrations will be accepted until September 11, 2006. After this date, registration can only be accepted at the conference venue and only if places are still available.

Attendance certificate

To obtain the certificate, participants must present their badges to the Secretariat at the end of the Congress.

Hotel Bookings

Hotel rates are as follows:

Hotel	Double Room Single Occupancy	Double Room
☆☆☆☆	€ 80,00	€ 125,00
☆☆☆	€ 74,00	€ 96,00

Rates are per room per day and include breakfast. To make your hotel reservation, send the attached form to the Organizing Secretariat with a copy of the payment of € 90,00 of which € 70,00 as deposit and € 20,00 as agency fee.

Payment for hotel reservation may be made by bank transfer into the following account:

C.S.C. srl – C/C 000000001538
C/O Banca Popolare di Spoleto
Perugia Branch - Via Caduti del Lavoro
Bank Data: N/05704/03005/1538

The final amount due for accommodation, after deduction of the deposit, should be paid directly to the hotel. The Organizing Agency will assign rooms on a first come/first served basis. The Organizing Agency will send vouchers for the confirmed reservation, notifying participants of the name and address of the assigned hotel. In order to ensure comfortable accommodation we advise participants to

send in their hotel reservation form as soon as possible.

Cancellations and Refunds

For hotel reservation cancellations received by the Organizing Secretariat no later than September 4, 2006, the amount already paid as deposit will be reimbursed after deduction of double the amount of the agency fee. After this date, no refunds will be possible.

CME

The Italian Health Ministry has received the application for recognition of the event for CME (Continuing Medical Education) purposes for 80 participants. Main topic: Hematology Secondary topics: Oncology, Immunology The CME certificate will be issued only to those participants who have attended the entire congress as verified by specific checks, and who have at least 70% correct answers in the questionnaire. All of the information requested in the application form must be provided in order to obtain credits. The certificate will be sent by mail to the address given in the application form in compliance with the foregoing specifications.

New Insights in Cell Therapy and Molecular Therapy

President Prof. Pietro Leoni

Scientific Coordinator Prof. Attilio Olivieri

Ancona, Italy

September 15-16, 2006

Friday 15

Chairmen: A. Olivieri, A. Gabrielli

02.30 p.m. **Welcome Reception and introduction**

3.00 p.m. **Recent biological aspects of infections in the immunocompromised host**

L. Romani, Perugia

3.30 p.m. **Stem cells as vehicles of cancer gene therapy**

C. Carlo Stella, Milan

4.00 p.m. *Coffee Break*

4.30 p.m. **Autologous cell therapy in hematological malignancies**

R.M. Lemoli, Bologna

5.00 p.m. **Autologous transplantation in multiple sclerosis**

R. Saccardi, Florence

5.30 p.m. **Autologous transplantation in Rheumatic diseases***

A. Tyndall, Basel

6.30 p.m. **Lecture: Engineered stem cell for adoptive immunotherapy**

A. Tabilio, Perugia

* English presentation

Saturday 16

Chairmen: P. Leoni, M. Baccharani

9.00 a.m. **Immunomodulation and tissue regeneration of expanded mesenchymal stem cells**

F. Frassoni, Genoa

9.25 a.m. **Mesenchymal stem cells in Multiple Sclerosis**

A. Uccelli, Genoa

9.50 a.m. **The potential of antiangiogenic therapy: the solid tumor model**

S. Cascinu, Ancona

10.15 a.m. **Coffee Break**

10.30 a.m. **Inhibitory signaling: the model of leukaemic cells**

G. Martinelli, Bologna

10.55 a.m. **Intracellular signaling and fibrosis: the scleroderma model**

A. Gabrielli, Ancona

11.20 a.m. **Intracellular signaling and fibrosis: the cGVH model**

A. Olivieri, Ancona

11.45 a.m. **Impaired angiogenic potential of MSC and EPC in systemic sclerosis**

R. Giacomelli, L'Aquila

12.10 p.m. **Lecture: Progress in treatment of CML**

M. Baccharani, Bologna

01.00 p.m. **CME Test**

Speakers and Chairmen

Michele Baccharani	Bologna
Carmelo Carlo Stella	Milan
