Abstract submission
The organizers invite authors to submit abstracts to be considered and included in the programme. Abstracts written in English can only be submitted online through the website www.csccongressi.it and must not exceed 2500 characters including blanks. Abstracts must focus on the topics.

Deadline For Abstract Submission: May 5th, 2014

The Scientific Committee will select the abstracts received into:
• accepted as an oral presentation
• accepted as a poster presentation (70w x 100h cm)

Notification of acceptance for presentation or rejection, together with information about session, date and time of discussion, will be sent by the organizing secretariat by e-mail.

Please note: for each accepted abstract, the registration fee of at least one of the authors will be required. Each author can be entitled to be “presenting author” of only 1 abstract.
